**Lorelei Lanum : The Procrastinator's Guide to the Job Hunt** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Procrastinator's Guide to the Job Hunt:

If you've just graduated from college, lost a job, or decided to get a better one, the hunt has only begun. Unfortunately, the first step can be the hardest, and many of us need help getting started and sticking with it. With The

Procrastinator's Guide to the Job Hunt, what seems overwhelming is broken down into simple tasks, and none of your valuable time goes to waste. Included are tips on: Preparing your resum, right down to the finishing touches Making those intimidating phone calls Recognizing opportunities and striking while the iron's hot Following through on the necessary details And more

About the Author Lorelei Lanum, a medical writer and author, recently spent ten agonizing months looking for work, and has interviewed dozens of headhunters, HR people, career counselors, employers, and job hunters about what works and what doesn't.
