Sheridan Morley : The Quotable Oscar Wilde (Miniature Editions) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Quotable Oscar Wilde (Miniature Editions):

0 of 0 people found the following review helpful. Delightful Little BooksBy CateI have purchased a lot of these miniature books to give as small gifts....and they are really just perfect for the purpose. A nice introduction to the subjects, so that if the receiver is interested, they can get a book of the subject's works later.4 of 12 people found the following review helpful. Wilde certainly fulfilled his end of the deal.By Mark David BurgerMr. Oscar Wilde certainly fulfilled his end of the deal in uttering the wonderful words of wit contained in this small book.Upon finding this book on display in a major bookstore, time flew by while I read through the whole miniature thing.While walking up to the cashier to purchase it, however, I stopped dead in my tracks. Damn! The words on the back flap of the dust jacket read: "Printed in China."I'm sure that Mr. Wilde would have some sharp words to say about a book of his work - words celebrating love of life and liberty - being produced in a country ran by a dictator - one that routinely uses either slave labor (in the form of "political" prisoners) or indentured servants (as in people who are not allowed to either quit or leave a job once taken) in their state-run industries.I recommend Wilde's work wholeheartedly - but to purchase this

tainted volume would certainly be unjust. 3 of 3 people found the following review helpful. Irish wit runs Wild(e)! By Johnny Roulette Yes, this is a tiny book, but it is worth owning. Wilde has issued forth enough wonderful quotes to fill a much larger tome, but, that said, this is a nice novelty item. The diminutive book is packed with great photos of Wilde, the quotes that made him famous, as well as many quirky illustrations of the author. Enjoy these quips from the man who uttered "either this wallpaper goes or I do" as his final words. I highly encourage you to also read Wilde's only novel, *The Picture Of Dorian Gray*.

The year 2000 marked the 100th anniversary of the brilliant, controversial Irish poet and dramatist's death, and our Running Press Miniature Edition showcases his razor-sharp wit with quips and quotes culled from his books and plays, including *The Picture of Dorian Gray*, *An Ideal Husband*, and *The Importance of Being Earnest*.

About the Author Sheridan Morley is the drama critic of the *Spectator* and the *International Herald Tribune* and author of the first Coward biography, *A Talent to Amuse*.
