**Al Dixon : The Quotable South: A Compendium of Eclectic Quotes About the South** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Quotable South: A Compendium of Eclectic Quotes About the South:

0 of 0 people found the following review helpful. "It's Better Than Ben-Hur...."By W Perry Halli LOVE this book. I hate it's now out of print, but it looks like quite a few used ones are available out there. I cannot give this a higher recommendation if you are from the South and like quotes. Mine is all marked up."It's better than Ben-Hur," as Shreve said of the South to Quentin in "Absalom, Absalom!"As Quentin said of it to Shreve, "You can't understand it. You'd have to be born there."I cannot begin quoting out of this compendium, for I wouldn't stop. Some of the sections are:A Few Words of Wisdom .... What is the South? .... The Southern Woman .... What is a Southerner? .... You would have

to be Born There .... Southern Sports .... Southern Culture ....Them's Fighting Words .... The Southern Man ....  
Southern Religion .... Southern History ....Southern Lit .... Southern Music .... The Language of the SouthI'll end with a  
quote about Southern ladies by an author of recent renown, Donna Tartt, from Mississippi:"Many Southern Ladies are  
fierce, dignified ex-Belles who changed their ways before they went crazy or killed somebody."

A collection of quotations about the South
