Hester R. Hoffman : The Reader's Adviser and Bookman's Manual before purchasing it in order to gage whether or not it would be worth my time, and all praised The Reader's Adviser and Bookman's Manual:

Ninth edition, revised and enlarged. The works of some 2000 authors, with descriptions, evaluations, biographical notes, comments on the period, and quotations from critics are presented in this book, "a capsule view of the literature of human thought and ideas, from earliest time through the current year." Well arranged, good bibliographical details, a handy desk reference and enjoyable browsing material. Dust jacket shelf-worn, chipped, rubbed, some minor tearing. xx, 1116 pages. cloth, dust jacket.. thick 8vo..
