From Brand: Fine Communications : The Reader's Encyclopedia of Shakespeare before purchasing it in order to gage whether or not it would be worth my time, and all praised The Reader's Encyclopedia of Shakespeare:

0 of 0 people found the following review helpful. Handy book to haveBy CustomerThis volume has been a joy to have. It has increased my enjoyment of Shakespeare's works and I highly recommend it.On a personal note, the associate editor is Edward G. Quinn, who just happened to have been my ninth grade teacher. Mr. Quinn was one of three teachers who inspired me to learn and to achieve the best I could. It was he who with his wonderful teaching style first sparked my love for Shakespeare. To Miss Tillottson, Miss Restaino, and Mr. Quinn: I am forever in your

debt. I will love you forever.1 of 1 people found the following review helpful. Awesome reference materialBy Michael C. TaylorHaving grown up in Stratford-upon-Avon and spent 13 years of my life with the RSC, where I worked on every play except Timon of Athens, I still love to open this book and read up on each play/character. It's essential reference material for anyone putting on a show.0 of 0 people found the following review helpful. Everything you ever wanted to knowBy Jude-MarianA very complete volume. For the average reader of Shakespeare this work, along with the Folger Guide to Shakespeare, is all you'll ever need.
