Excellent Bible Companion By Karen Sharkey-Taylor Necessary and excellent companion to the Bible. This book explains Biblical concepts clearly as it applies to all persons in any situation as well as how we can see ourselves in all of the stories of the Bible. It has and continues to assist me with understanding the Bible in a new and exciting way! 0 of 0 people found the following review helpful. Interesting information. It's not a book I will read ... By Hnem Interesting information. It's not a book I will read from cover to cover at one sitting but a book I would refer to from time to time as need arise.

The Revealing Word is a volume in Charles Fillmore Reference Library that will help you bring the Bible to life. This reference work is a metaphysical dictionary of common names found in the Bible, as well as words and phrases that are frequently used in Unity and New Thought teachings. The Revealing Word will help you find inner meaning for words in a way that will bring new depth of understanding and awareness to your daily life. This book complements Charles Fillmore's much larger work, Metaphysical Bible Dictionary, which presents the meanings of scriptural proper names as well as places found in the Bible. These two unique books are the foundation of Charles Fillmore's inspired thinking and teaching. The Unity movement was founded in 1889 by Charles and Myrtle Fillmore. Unity successfully incorporates traditional Christian religion with metaphysical principles, for example, the use of the law of cause and effect and affirmation to bring about change in our lives and to bring us closer to God.

About the Author Charles Fillmore was an innovative thinker, a pioneer in metaphysical thought at a time when most religious thought in America was entirely orthodox.
