Carlton D. Lewis : The Rockford Files Encyclopedia before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rockford Files Encyclopedia:

3 of 4 people found the following review helpful. The Writing is Good, but Rockford Files Encyclopedia is not a Comprehensive EncyclopediaBy Andy Anderson aka Travis C.Quick Dirty HighlightsThe Rockford Files Encyclopedia has good,minter eating writing, but is less oriented to Rockford Files, and far less detailed in that regard, than I expected.Length: Print, 76 letter-sized pages. In a more typical pocketbook-size format, this would likely be a 100-page booklet.Target Audience/Genre: Television History reference.Q - How was this book obtained?A - Purchased on .Q - Is this a book that I can read without having to read others first?A Yes.Q - Are there a lot of typos/misspellings, grammatical errors or other editing failures?A No.Q - Is this a fast, easy read or is it more of a leisure read?A Although it is a reference, it is written in a nice, easy-read format.Q - What sort of language does this writer use to amplify the points made?A - Plain English.Q - What age group is this suitable for?A - All ages.Q - My

biggest pleasure or disappointment?A - I enjoy any book about television's greatest private investigator, but, frankly, this book is probably at the bottom of the list. Save for some black and white photographs, (one including James Garner's daughter Gigi), there just aren't enough photographs. That, however, is not the great weakness. It does not include the detail I would expect from an encyclopedia. Too superficial. Bottom Line: Good writing and several very good snippets, but the Rockford Files Encyclopedia has too little detail regarding Rockford Files and veers off into tangents too frequently - Tom Selleck, Blue Bloods is an example. Yes, those jaunts were interesting reading, but I'd rather read more about Rockford Files. Because the writing is good and interesting, I'm rating this at four stars out of five. Comments regarding your opinion of this book or of my review, whether favorable or unfavorable, are always welcome. If you buy the book based on my review and become disappointed, especially, I do want to know that and I want to understand how I can improve as a book reviewer. Just please be polite. Thank you. 4 of 4 people found the following review helpful. One Star By Brian Bernsen Looks like someone just printed the wikipedia page. Don't waste your time.

The Rockford Files is one of the most beloved television shows in the history of the medium - learn more about this series in this collection of articles by author/TV buff Carlton D. Lewis.
