**Steve Barrow, Peter Dalton : The Rough Guide to Reggae 3 (Rough Guide Reference)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rough Guide to Reggae 3 (Rough Guide Reference):

The Rough Guide to Reggae is the only book of its kind available. The first two editions of the Rough Guide to Reggae were the top-selling books on the subject, and widely acclaimed by the music press and fans alike. Illustrated throughout with over 400 pictures, many of them exclusive photos, the book also features exclusive interviews with reggae's top stars, and reviews over 500 albums. 2003 and 2004 have been the most successful years for reggae music on a global scale since the heyday of Bob Marley, with singers such as Sean Paul and Wayne Wonder regularly topping the UK and US pop charts. The new third edition of Rough Guide to Reggae is fully updated to cover this

latest wave of Jamaican musicians, while not stinting on newly discovered recordings and reissues of classic albums of the past.
