**Roycroft Artists : The Roycroft Leather-Book - Being a Catalog of Beautiful Leathern Things made Roycroftie by Hand** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Roycroft

## Leather-Book - Being a Catalog of Beautiful Leathern Things made Roycroftie by Hand:

This vintage book contains a catalogue of leather goods hand-made by Roycroft artists in the early twentieth century. Roycroft was a reformist community of craft workers and artists which formed part of the Arts and Crafts movement in the United States. This volume is highly recommended for those with an interest in leather work and the historical work of the famous Roycroft artists. Contents include: Modelled Leather, Terms, The Leather-Book, Bill-Books, Cigar-Cases, Card-Cases, Photograph-Cases, Standing Photograph-Frames, Scissors and Knife Cases, Suit-Case Plain Leather, Watch-Fobs, Book-Marks, Napkin-Rings, Jewel-Boxes, Glove-Cases, Bags, et cetera. Many vintage books such as this are increasingly scarce and expensive. We are republishing this volume now in an affordable, modern edition complete with a specially commissioned new introduction. First published in 1909.
