Found After a Long SearchBy anonymousGreat Book! Love the original recipes and folklore. Had been searching for the original book (now I had all 3 this being the very first) for a long time in good condition. Gracious seller, great price, very patient, heard all my questions, made certain it was the right copy for me, more importantly for my gift recipient who is a big fan. We have all benefitted from my gifting of this book, trust me, yum!!0 of 0 people found the following review helpful. Love it!By CustomerLoved this book.
