Eric Bentley : The Servant of Two Masters Other Italian Classics (Paperback) (Eric Bentley's Dramatic Repertoire) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Servant of Two Masters Other Italian Classics (Paperback) (Eric Bentley's Dramatic Repertoire):

0 of 1 people found the following review helpful. College Student's OpinionBy Claudette_SwanI bought this book for a Theatre History II course at my college, and we read only one play out of the book - "The Servant of Two Masters" by Carlo Goldoni. I have, however, used other texts by Eric Bentley previously, and I recommend him. The translations and edits in this book, and others edited by Eric Bentley, are fun, refreshing and accessible.0 of 1 people found the following review helpful. Five StarsBy Garden LadyGreat and fast shipping!0 of 2 people found the following review helpful. A great place to start when studying old Italian playsBy Rebecca WrightWe had to read this for a graduate class but it seems to be a good books for a range of students from upper highschool to PhD depending on how deeply you study the texts.As my title suggests, this book is a good starting point to the study of Italian classics.

(Applause Books). An anthology of four classic Italian plays edited by Eric Bentley. Also includes directorial and technical notes. Includes the title work by Goldoni as well as The King Stag (Gozzi), The Mandrake (Machiavelli), Ruzzante Returns from the Wars (Beolco).
