Scientific Publishing : The Skeletal System chart: Laminated Wall Chart before purchasing it in order to gage whether or not it would be worth my time, and all praised The Skeletal System chart: Laminated Wall Chart:

1 of 1 people found the following review helpful. great laminated skeletal chartBy K. Sladegreat laminated skeletal chart. Very detailed0 of 0 people found the following review helpful. Two StarsBy Joshua K WhiteThe packaging was all bent up and the laminated poster was permanently bent up across the top.

The Skeletal System chart displays complete front and rear views of the human skeleton. Other illustrations include the bones of the ear, the vertebral column and bone structure. Heavy gauge 3ml lamination with sealed edges and two metal eyelets for hanging makes chart highly durable. Write-on/wipe-off with dry erase marker (not included).
