David Burke : The Slangman Guide to Dirty English before purchasing it in order to gage whether or not it would be worth my time, and all praised The Slangman Guide to Dirty English:

5 of 5 people found the following review helpful. Education with a SmileBy A CustomerI work with the educational community and very often with teachers trying to teach English as a Second Language (ESL). And, while laughter may very well be the best medicine, it also can help the learning process. This book takes an effective and humorous swipe at helping ESL kids learn the meaning of the "real life" words they hear on the playground or in the street. The magic of the book is that it deals with the relatively touchy subject of "dirty" language with a sense of humor that diffuses the edginess of the subject matter. While I hope kids don't use the book as a "what to say" manual, it certainly could work wonders in helping to lessen the sense of isolation ESL kids may feel when surrounded by their English speaking classmates and friends.5 of 5 people found the following review helpful. What can I say about this bookBy RayIt is just amazing. First you have to understand no one lives in the bubble so guess you will hear some curses from

time to time. Sometimes it just get me down that I have no idea what those weird words mean. So I bought this book and it is THE book if you are looking for a way to learn dirty words. Bottom line is you dont have to say that yourself but you really need to know. 2 of 2 people found the following review helpful. Great Book but something is missing for ESLBy MAUThis is a great book but it needs the complement of an audio program, this of course for the ESL. I know the old edition had one. Can someone tell where to get it? Because it is not sold buy the publishers.

This humorous book will teach you the most popular dangerous words and expressions used in the English language. The Slangman Guide to DIRTY ENGLISH is easy to understand and fun to read, even for the beginning English learner. It contains over 1,000 dangerous expressions used every day in American conversations. We will even show you which American movies, TV shows, and songs use these kinds of words. In addition, you will find over 2,400 sentences written as Americans really speak! These phrases will help you communicate with Americans and understand our culture.

About the AuthorDavid Burke is the author of more than 20 language books including the popular Street Talk and Biz Talk series. He lives in Los Angeles.
