There is a great deal of extremely helpful information in it - it goes far beyond the usual book in this genre. Very thorough interview preparation. I started giving this book as a gift to new college graduates. Highly recommend it!

Senior business executive David Holmes has seen firsthand the mistakes hundreds of job candidates have made in the interview process. In this fundamental resource, he incorporates this experience to help readers fashion an individualized, workable solution to interview challenges. The guide discusses how to build a disciplined, systematic approach to interviewing; how to avoid common interview mistakes; how to learn proprietary, innovative techniques such as personal scripts, the chair-flying practice method, world-class research frameworks, checklists, and timelines;

and how to construct a real-world rsum, study sample mock interview sessions, and develop a follow-up plan. Whether they are currently unemployed, changing careers, entering or graduating from college, or leaving the military, readers will benefit from the wisdom collected in this book.

About the AuthorDavid Holmes is the founder of Cavender Park Consulting, LLC, which offers strategy consulting to corporations and wealthy families and teaches leadership skills, business development processes, and interview techniques to MBA students, military veterans, and other professionals who are changing careers. He is a former managing director and regional director at global banks such as Credit Suisse and JPMorgan Chase. He lives in Frisco, Texas.
