Dont buy this book.By Rural BuyerI live in alabama, this book does not reflect actual southern english. Don't even show how it's actually spelled with the misuse of vowels. The author says she is from the south but this book is defiantly written be a Yankee.0 of 0 people found the following review helpful. Five StarsBy Donnie EllisonVery cute book. Worth the read.

An easy enough guide to "southern speak" for the every day person! If you have ever wondered what words like 'y'all' or 'yonder' meant, this is the book for you! If you have ever questioned what colorful phrases such as 'happy as a pig in the mud' actually mean, this is the book for you! Please Note: This book is on Southern American English. Not UK.
