I wanted her to have the best beginner's cookbook and felt this encyclopedia would be very helpful to her.Her dad is an executive chef and he liked them too. He felt that this cook's encyclopedia would keep her from having to learn with few if any mistakes. He felt she would be able to cook without having to learn from mistakes.0 of 0 people found the following review helpful. Five StarsBy JenniferGreat cookbook. Really love the photography and super easy step by step instructions.0 of 0 people found the following review helpful. My favorite cookbookBy MCOAZI'm a visual person so this cookbook is perfect for me. When I cook, I can doublecheck

to see if the picture matches my outcome. And most of all, the recipes are simple but so tasty.

The Step by Step Cook's Encyclopedia is a fantastic cookbook and the ultimate kitchen aid. Over 850 photographs will guide you through a variety of recipe ideas, from classic home-style comfort food to restaurant-worthy dishes.
