**Michael Simmons : The Student Success Manifesto** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Student Success Manifesto:

0 of 0 people found the following review helpful. It felt dated and read a little like a pushy salesmenBy BalboaMomI bought it for my college aged daughter and read it to convince her to do the same. It felt dated and read a little like a

pushy salesmen (and I've been in corporate sales for over 20 years). Consequently, she didn't read it. 0 of 0 people found the following review helpful. Delivery time By Mandy Like holy cow, this book is taking nearly a month to deliver and my summer vacation is nearly over. I still have not received it! Still 3 more days left to get it but at this point I have no more desire to read it. I'm annoyed! 4 of 8 people found the following review helpful. A Real Manual For Self-Actualization By Vic G. Sarjoo Mr. Simmons' book provides higher-order-insight along with rubber-meets-the-road applicability. Forward thinking people of all ages would benefit from this text. This book can help people with ownership of their own identity and lives and help them on their own road to personal fulfillment. While this book is meant for younger people, its lessons possess a lifetime of value.

Having trouble deciding what you're going to do after you graduate from school? Do you simply want to take your life to the next level?
