**Ronald Chamberlain : The Surgical Intern Pocket Survival Guide (INTERN POCKET SURVIVAL GUIDE SERIES)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Surgical Intern Pocket Survival Guide (INTERN POCKET SURVIVAL GUIDE SERIES):

0 of 0 people found the following review helpful. Itsy bitsyBy gooseLike the other books in this series the informations great it's a great little pocket guide but wow is the writing small.8 of 8 people found the following review

helpful. Handy pocket guideBy ABI agree with the reviewer from Dec.2003 - the pocket survival guides are not intended to be an authoritative reference on anything, especially not the science of surgery. But in its mission to provide house officers with a useful and quick reference on basic surgical issues, this book succeeds. Very compact useful to have in your lab coat pocket while on call.- Surgical Resident0 of 0 people found the following review helpful. Five StarsBy CustomerExcellent
