Dave M. Lauck : The Tactical 1911: The Street Cop's And SWAT Operator's Guide To Employment And Maintenance before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Tactical 1911: The Street Cop's And SWAT Operator's Guide To Employment And Maintenance:

0 of 0 people found the following review helpful. The book to read for EDC of your 1911. By C.M. Lewis Carrying a 1911 as a duty weapon is something one should take seriously. The weapon system is an old design but many would argue still an excellent choice. Knowing about the 1911 and its nuances and design is sound advice. It is not a Glock that you can drop into a holster, out of the box, and go forth. It cannot be neglected and half-maintained. She is a jealous mistress and if you neglect her she will leave you hanging in your time of need. This is about the best book I've ever read about the 1911 for securing a solid understanding of the weapon system from the perspective of a daily carry

weapon. This is not an armorers guide and certainly cannot teach you how to modify your weapon but if you plan on being the end user of one of John Browning's masterpieces - be it CCW, patrol, tactical or home defense - then this is the book for you. 0 of 0 people found the following review helpful. Five Stars By James Herald good deal 0 of 0 people found the following review helpful. Buy this book you will not be sorry! By Rocky W. Latham Very good read for anyone interested in the 1911!

The renaissance of the venerable Colt 1911 in .45 ACP has caused many cops to sit up and take notice. Here is the only book you will ever need to teach you how to select, modify, employ and maintain your Colt. Every critical aspect of the 1911 is here, including detailed information on sights, magazines, holsters, guide rods, serrations, finishes and much more.

About the Author Dave Lauck is a veteran law enforcement officer with more than 20 years of frontline experience. He has served as SWAT countersniper, lead patrol officer, special investigator and SWAT weapon and duty weapon armorer. The Lauck family has been involved in American custom firearms as far back as the 1700s, and Dave is a formally trained and certified armorer with more than 25 years of experience in special-purpose firearms. He is the author of *The Tactical Marksman* and *Tactical 1911*, also published by Paladin Press.
