From Brand: Teachers Writers Collaborative : The Teachers and Writers Handbook of Poetic Forms before purchasing it in order to gage whether or not it would be worth my time, and all praised The Teachers and Writers Handbook of Poetic Forms:

A reference guide to various forms of poetry with entries arranged in alphabetical order. Each entry defines the form and gives its history, examples, and suggestions for usage. For this second revised edition of the Handbook, 19 teaching poets have written 76 entries on traditional and modern poetic forms. The Handbook succinctly defines the forms, summarizes their histories, quotes good examples (both ancient and modern), and offers professional tricks of the trade on how to use each form.
