**Paul Pignataro : The Technical Interview Guide to Investment Banking, + Website (Wiley Finance)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Technical Interview Guide to Investment Banking, + Website (Wiley Finance):

2 of 3 people found the following review helpful. Two StarsBy MikeLIt is too basic to actually fully prepare you for an investment banking interview.0 of 1 people found the following review helpful. Five StarsBy Carmen Livery well

thought out prep guide - great for IB interviews

Win the recruiting race with the ultimate analyst's guide to the interview The Complete, Technical Interview Guide to Investment Banking is the aspiring investment banker's guide to acing the interview and beginning your journey to the top. By merging a 'study guide' to the field with a forecast of the interview, this book helps you prepare for both content and structure; you'll brush up on important topics while getting a preview of the questions your interviewers are likely to ask. Covering financial statements, valuation, mergers and acquisitions, and leveraged buyouts, the discussion provides the answers to common technical questions while refreshing your understanding of the core technical analyses behind core models and analyses. Each chapter includes a list of the questions you will almost certainly be asked along with the answers that interviewers want to hear from the basic QA to the advanced technical analyses and case studies. This guide will reinforce your knowledge and give you the confidence to handle anything they can throw at you. You will receive an expert synopsis of the major points you need to know, to ensure your understanding and ability to handle the multitude of questions in each area. Double-check your conceptual grasp of core finance topics Plan your responses to common technical and analysis questions Understand how to analyze and solve technical analyses and cases Gain insight into what interviewers want to hear from potential hires Become the candidate they can't turn away You've positioned yourself as a competitive candidate, and the right job right now can chart your entire career's trajectory. Now you just have to win the recruiting race. The Complete, Technical Interview Guide to Investment Banking is the ultimate preparation guide to getting the job you want.

From the Back Cover Close the Deal on Your High-Level Job with the Ultimate Analyst's Guide to the Interview The Technical Interview Guide to Investment Banking is the interview prep workbook for every young banker who wants an edge in the recruitment process. Written by a finance expert with firsthand recruitment experience, this comprehensive resource provides a revealing look at the recruitment process, in-depth analysis of investment banking, and dozens of commonly asked interview questions on each topic ranging from easy to advanced. A companion website featuring chapter QAs and models enables you to develop your proficiency from anywhere while you: Refresh and strengthen your grasp on the concepts underlying core finance topics Practice analyzing and solving technical case studies on financial statements, valuation, mergers, acquisitions, and leveraged buyouts Mentally prepare yourself for any technical question and challenge an interviewer may pose The Technical Interview Guide to Investment Banking empowers you to walk into your first interview with all the answers. About the Author PAUL PIGNATARO is the founder and CEO of the New York School of Finance (NYSF). He has over thirteen years of experience in investment banking and private equity in business mergers, acquisitions, restructurings, asset divestitures, asset acquisitions, and debt and equity transactions covering the oil, gas, power and utility, internet and technology, real estate, defense, travel, banking, and service industries. At NYSF, Mr. Pignataro continues to participate on the training team, actively providing training at bulge bracket banks and MA teams at corporations and billion dollar funds. Prior to his entrepreneurial endeavors, Mr. Pignataro worked at TH Lee Putnam Ventures, a \$1 billion private equity firm affiliated with buyout giant Thomas H. Lee Partners. Prior to that, he worked in the Investment Banking department of Morgan Stanley.
