Peter E. Meltzer : The Thinker's Thesaurus: Sophisticated Alternatives to Common Words (Expanded Second Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Thinker's Thesaurus: Sophisticated Alternatives to Common Words (Expanded Second Edition):

9 of 9 people found the following review helpful. Needs more thinkingBy The BobberBought it for my KIndle and wish I had gotten the paper format. It would be easier to flip through. Was disappointed in the number of vocabulary words defined. Was hoping for a larger selection.1 of 1 people found the following review helpful. Great bookBy Julian FromentAs a poet I am always looking for unusual alternatives to mundane words. This book provides that, alongside useful definitions and synonyms. Great addiition to the bookshelf, althoghugh it will probably spend a greater

proportion of the time on the desk. Open..0 of 0 people found the following review helpful. Five StarsBy Shealeigh Wgreat reference for writers!

The go-to guide for finding those exceptional and unexpected words that will bring your writing to the next level. Do you find that your regular thesaurus spits out the same old words already running through your head? Are the lists boring, repetitive, and generally unhelpful? Peter E. Meltzer thought so and decided to create a unique thesaurus that would offer interesting, original synonyms along with contextual examples. He quotes from a range of recent media including books and hundreds of magazines and newspapers to reassure readers that though the words might be unfamiliar, they are all completely legitimate words in current use. The first edition was the top-selling thesaurus in the United States on numerous occasions. The second edition has been expanded by 50 percent and includes a new introduction that lays out the goals and methods of the thesaurus. This highly entertaining and informative book is truly a dream come true, not only for logophiles but for anyone wishing to enhance their writing through these wonderful words.

"Delves into the mostly untapped reservoir of the English lexicon, offering readers more than top-of-mind word choices." --"Dow Jones Newsletter" About the Author Peter E. Meltzer, the author of the best-selling *The Thinkers Thesaurus* and *So You Think You Know Baseball?*, is an attorney and a former professor at Rutgers University School of Law.
