Elisabeth Kendall : The Top 1,300 Words for Understanding Media Arabic (Arabic Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Top 1,300 Words for Understanding Media Arabic (Arabic Edition):

0 of 0 people found the following review helpful. By EdThis book is a great reference guide for those looking to expand their professional vocabulary. It's concise and is organized in an effective, easy to find matter. The pages are glossy and of high quality. It can be a little too specific for beginners, such as different internal organs that most likely wouldn't come up in a conversation, but you never know. This book is great for more advanced speakers, in addition to beginners. It's small enough to carry around although looking things up on a smartphone might be easier. I like to use it while studying as I associate the picture with the word a lot better than using a smartphone or dictionary. Anyway, for the price, this was a good investment for myself.0 of 0 people found the following review helpful. Maybe I have a newer version, but it came ...By CustomerMaybe I have a newer version, but it came with a glossary in English, which some other reviewers complained it did not have0 of 0 people found the following review helpful. Five StarsBy Jon EdGreat vocabulary lists.

What is the Arabic term for "suicide bombing"? What phrase would be used to describe "peacekeeping forces" in the Arab media? Or "economic sanctions"?The Middle East is a key region for politics and business and it is essential that scholars, journalists, government workers, military personnel, businesspeople, and diplomats familiarize themselves quickly with Arabic/English translations for many key words and phrases used in the media. Media Arabic the language of printed or broadcast news items emphasizes contemporary terms like "multiculturalism" or "globalization" that are not covered by most Arabic dictionaries.This practical vocabulary reference provides concise and accessible lists of the most relevant vocabulary, providing key terms for translating from and into Arabic. The Arabic terms are organized by topic and the book now includes an index of English terms to help readers more easily find what they need. These word lists furnish readers with an invaluable knowledge of basic vocabulary used in the media to comprehend, translate, and write Arabic. NEW! Allow the reader to hear the words, check pronunciation, and test themselves! Audio MP3 files of all vocabulary words in English and Arabic available as a free download. Simply click on the links below the cover image and download the.zip files.Topics include: General (reports, statements, sources, common media idioms) Politics Government Elections Military Economics Trade Industry Law Order Disaster Aid

"This checklist of Arabic media vocabulary covers all important fields and should prove very useful to the learner." Clive Holes, professor for the study of the contemporary Arab world, Oriental Institute, University of Oxford"An extremely useful and immediately applicable collection of contemporary vocabulary." Roger Allen, professor of Arabic, University of PennsylvaniaAbout the AuthorElisabeth Kendall is a senior research fellow in Arabic at Pembroke College, University of Oxford.
