**Corey Strauch : The Truth About Cremation: Secrets "They" Don't Want You To Know** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Truth About Cremation: Secrets "They" Don't Want You To Know:

Over the decades, trends in funeral services have indicated the ebb and flow of exactly how families view the end of life. In the past, Corey Strauch's family has offered services based on the customers desires and beliefs something that continues to change over time. Today is no different and another shift in what families want and need is changing with regard to cremation. Corey has a passion to help with today's changing needs, just as his family has demonstrated time and again. In this book, Corey outlines how he developed a new cremation specific business to ensure that he will exceed expectations in delivering the highest quality in meeting these wants and needs. He outlines all of the truths about choosing cremation and debunks many of the misconceptions. Choosing cremation and the options that surround it has never been easier. The Truth About Cremation: The Secrets "They" Don't Want You To Know will help you understand all of your options and will help you make the best possible choices for your end of life options or for those of a loved one.

About the Author As a fifth generation funeral services provider, Corey Strauch has developed a passion for helping people experience the calm and dignity of knowing that their future is decided and that it will happen exactly as they desire. Over the years of working with generations of clients, Corey has made it his life's work to help people to be informed, to be prepared, and to feel secure with end of life cremation decisions. This same passion is what has led him to gain the very best education, and ultimately, certification and licensing credentials from Penn State University, Simmons Institute of Funeral Science and Cremation Association of North America. He is a licensed funeral director in Pennsylvania and has garnered 21 years of experience in the funeral and cremation industry. Today, he continues to help people with his company successfully experience security and cutting edge services regarding end of life choices with a legacy that dates back to the early 1900s. Allow him to assist you in reviewing your options and to set a sturdy and secure plan for your cremation decisions. Call 844-906-0249 or visit Corey Strauch online at [www.thetruthaboutcremation.com](http://www.thetruthaboutcremation.com) to find out what your options are and to request a free consultation in order to learn how you can gain the confidence of knowing your affordable plans for cremation are securely set.
