**Eric Woodard : The Ultimate Guide to Internships: 100 Steps to Get a Great Internship and Thrive in It (The Ultimate Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ultimate Guide to Internships: 100 Steps to Get a Great Internship and Thrive in It (The Ultimate Guides):

2 of 2 people found the following review helpful. Beneficial and Helpful Knowledge of the Professional Environment

of WorkingBy Vanessa HolmesI got the book this spring 2016 after attending the authors workshop at my school, George Washington University. The presentation was filled with valuable insight into the internship process and the book solidifies what is necessary to know so you are not clueless and guessing your way through what an internship experience should feel like. This is a great choice to read for any young and seasoned adult seeking to understand the professional working world.2 of 2 people found the following review helpful. Cuts to the Heart of What Needs to Be SaidBy M. TrueNo nonsense. Irreverent. Thought provoking. Spot on. Totally practical. Essential. These all describe this book. Eric Woodard has been an intern and has hired and supervised interns. His wisdom is born from experience. He wields his verbal sword to cut to the heart of what is needed to acquire and succeed in an internship. If you are thinking of interning, youd be crazy not to read this.2 of 2 people found the following review helpful. Should be required reading for all new internsBy APLEmonI wish I had this book when I was first dipping my toe into the waters of the working world 20 years ago. I could have been a much better intern and navigated my first job hunt with more confidence and wisdom. I eventually figured most of it out but it would have been far less painful with this book to guide me.

Discover the seminal book on turning your internship experience into a career-building launchpad for your future. Author Eric Woodard, who got his start as a star intern in the White House, has mentored hundreds of interns as they transition in their careers to something bigger and better. In these pages he lays out the basics of the internship game, the questions to ask when applying, and the best courses of action for turning an internship into a desirable career. Whether youre still in school, looking for a job after college, or this is your third career change, *The Ultimate Guide to Internships* will give you excellent professional guidance on getting to the next level, expertly covering such topics as: Identifying internships that will serve your personal career goals Distinguishing yourself as an applicant Knowing what to expect on the job Impressing your employer and superiors Networking effectively in the work environment Preparing yourself for any obstacles Transitioning to a full-time job And many more!Told with humor and honesty, Eric's advice always focuses on how to make the most of your position, be your best self, exceed others expectations, and proudly stand out as the best intern in the office. For anyone who is ready to start their dream career, let *The Ultimate Guide to Internships* be your handbook as you begin your journey forward, one step at a time.Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

About the AuthorEric Woodard has created and managed internship programs at the White House, US Senate, and the State Department, and currently serves as Director of Internships and Fellowships at the Smithsonian. He holds a doctorate ABD in Human and Organizational Learning from George Washington University, and is the author of numerous books on internships focusing on practical steps students can implement immediately. He lives in Alexandria, Virginia.
