By Ken Uehara Having attended many events and weddings with photo booth services, I was excited to finally see a photo booth guide for laymen to understand the differences between them. Quick read for best practices on choosing a quality vendor. Many of these practices seem great for choosing vendors in general (catering, photographer, etc.). Contains concise descriptions of different types and qualities of photo booth services. Makes for a great gift/lend to friends who are going through their wedding/event planning. 1 of 1 people found the following review helpful. Photo Booth Company Owner endorses this book. By Clare Albright As the owner of <http://OrangeCountyBestPhotoBooths.com> I knew I had to read this book. It is obvious that Martin L. Smith has owned his own photo booth company. In this book you will learn about: This guide covers: how to choose a photo booth rental company for your event, what questions to ask, how to spot a rip off, and how to get the most for your photo booth budget. Highly recommend!

Even if you don't have the foggiest clue about what to look for or how to compare, this book will show you everything you need to know to choose the right booth rental and get it at the best possible cost. The highest priced photo booth won't necessarily deliver the highest quality, and the lowest priced booth may cut corners or use deceptive practices that cost you more in the long run. Knowing basic information about photo booth rentals will make sure you reserve a booth at a price that fits your budget, while getting the quality you deserve. This guide covers: - The information you should know before choosing a photo booth rental - The questions you should ask to make sure a particular company is right for you - What equipment will generate the highest quality photos, and prints - Early warning signs to spot rip-offs - How to squeeze the most out of your budget

About the Author Since he began DJing professionally in 1997, DJ Graffiti aka "The Mangler" has become known for rocking the dance floor, heating up large concert audiences, spinning live shows for Detroit emcee Phat Kat, and creating genre defying mixes. DJ Graffiti has become Detroit's go-to DJ for concerts, clubs, and corporate events. He has performed in front of audiences awaiting artists such as Jay-Z, Dave Chappelle, Eminem, Beyonc, Snoop Dogg, Big Sean, Lupe Fiasco, J Cole and A\$AP Rocky, among others. Praised for his ability to play the right music at the right time, Graffiti can be found playing DJ sets that unite even the widest spectrum of attendees. Over the years he has become a celebrated fixture of Michigan's music scene. In 2010 DJ Graffiti was voted Best DJ in Detroit by Real Detroit Weekly. In addition to his DJ duties, the entrepreneur formally known as Martin L. Smith is an alum of both the University of Michigan Business and Law Schools. As a Marketing Strategist he specializes in helping companies systematically grow their sales and profit margins. In 2001 he launched his first marketing company Rapture Enterprises, managing campaigns for companies such as T-Mobile, Hennessy and Toyota. In 2007, he co-founded A-Side Worldwide, an entertainment management company where he is currently VP of Marketing. In 2009, Martin co-founded Michigan DJ Services Company Snapfuze, and Michigan photo booth rental company Photo Booth Plus.
