Susan D. Greene, Melanie C. L. Martel : The Ultimate Job Hunter's Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ultimate Job Hunter's Guide:

1 of 2 people found the following review helpful. Get this book if you want to get a jobBy S BaileyThis book was required in one of my college career classes. I'm really glad it was. I learned more from this book than I would have from experience alone. This book is filled with all sorts of advice and facts about what employers are looking for and how to nail a job interview.If you are looking for a job, or think you might be in the near future, this book is a must have. Any edge you can get on the other applicants is extremely important and this book will teach you how.1 of 2 people found the following review helpful. Essential toolBy A CustomerI found this book to be an essential tool when job hunting. It is clear and concise. It has essential guidelines for every aspect of looking for the right job. I highly recommend it to everyone.

This practical, how-to text provides targeted coverage of essential job-hunting steps and career strategies. Current information on job trends include working for non-profit organizations, self-employment, and federal government jobs. Special features include a strong technology focus, strategies for long-term career success, and exercises that

develop skills in goal setting, interviewing, and resume and letter writing.
