From Brand: Lighthouse Review Inc : The Ultimate Prep for the GMAT: A Systematic Approach before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ultimate Prep for the GMAT: A Systematic Approach:

This 464-page book systematically dissects and analyzes all of the various question types you will see on the GMAT. Each section of the book contains detailed expository materials, summaries of important concepts and procedures, and

timed practice exercises for each of the different GMAT question types. Also includes written explanations. Besides practice exercises, the book also includes a diagnostic exam (to allow the reader to pinpoint strengths and weaknesses) as well as three full-length simulated GMATs.
