Good Resource a Fun Read-By RandyRoddeyContains 417 pages of by alphabetical subject line, quotable quotes, phrases anecdotes from the dawn of time to 1994. Includes a handy foreign words phrase interpretation / pronunciation guide for those desiring to impress others as a worldly well rounded raconteur type. Purchased for use as a quick quote source when presenting or for those impromptu talks when / where wittiness is appropriate- should prove quite handy for that.0 of 0 people found the following review helpful.
