I also used it to study for my tests throughout the year. I would say it was one of my most important aides in getting an 'A' for the year. 1 of 1 people found the following review helpful. Quick, easy, thorough review of Spanish Grammar! By T. M.I

got this book after my Spanish teacher recommended it to me. I'm preparing for a test just need to clean up small details in my Spanish. This book comes with a CD with a practice test other resources. The practice test helped me pinpoint what areas I needed to work on. I've never seen a book that is so easy to reference for the area I need to practice. It has lots of examples and exercises has the answers in the back so I can really check my progress. I highly recommend this book to anyone who is serious about improving their Spanish. It has been worth every penny! 0 of 0 people found the following review helpful. Five Stars By Loving Paradise Just what we needed.

More rigorous than ever, the bestselling intermediate-level workbook has been expanded into a comprehensive, dynamic digital/print study tool that engages students in a variety of ways.
