Alex A. Lluch : The Ultra Simple Coupon Organizer before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ultra Simple Coupon Organizer:

2 of 2 people found the following review helpful. I LOVE IT!By SuegIts small and will fit into a purse. It has little folders in it that have titles on them telling you what coupons to put in. Each folder tells what to put in, example "9" has on it Dairy, then below it, it states Butter, Cheese, Creamer, Milk, Whip Cream and Yogurt. I love this idea then you don't have to think "Do I put it in this folder or that one." its already figured out for you. In the beginning of the book it tells you how to save with coupons and what to look for when your in a store. What a great little coupon organizer. I love it.7 of 8 people found the following review helpful. Not Ultra Simple Coupon OrganizerBy snv34One it was very small, which if you didnt have a lot of coupons, was really good. It was about the size of a diary. The places that you put your coupons were pockets like in a folder which to me, were not very good. There wasnt enough room for very many coupons this way. By the time I got done sorting and separating all my coupons the way that this "ultra simple coupon organizer" had it broken down (which dont get me wrong, was really good because thats how I

have them broken down and sorted) I couldn't close the organizer and place the elastic tie/flap that kept it closed. That was another issue that I didn't like, it only had an elastic string that folded over the organizer to keep everything in its place. The coupons could come out of the pockets from the top if you weren't careful if you could even get it over it. Another issue I had, there wasn't enough room in each little page/pocket for all the coupons that I had. To me, it was like a three prong pocket folder just miniature sized for coupons with out the three prongs. I ended up buying something else and will give this to someone else. 0 of 0 people found the following review helpful. I use this on a daily basis for organizing and ...By tmckinley I use this on a daily basis for organizing and storing my coupons. I find that this used with another coupon system works well. I do use another system in conjunction with this one to help keep my tons of coupons organized.

Shopping just got a whole lot easier (and affordable!) with the debut of The Ultra Simple Coupon Organizer. This easy-to-use, portable book provides every shopper with the best time, money, and stress-saving features. Convenient pockets store and divide coupons into 22 different categories, including a grocery section (with categories like dairy and frozen foods), as well as an other section (with categories like pet supplies and restaurants). Front pockets labeled Today's Coupons and "Coupons Expiring This Month" let shoppers keep all the coupons needed for upcoming trips in one place, eliminating the chance of forgetting them before they expire! The Ultra Simple Coupon Organizer also offers helpful tips for couponers at all levels. And with the included record keeping sheets, shoppers can keep track of how couponing is helping their budgets by recording the date, store, and amount saved.
