interview! I've read a few self help books in the past, but this one delivers. Great advice for understanding what's important not only to your potential employer, but also what's important to you. I highly recommend it. Also since the author is a high level recruiter with his own successful business in Los Angeles, he obviously knows what's talking about and what's important to the firms who are hiring. And all the "lessons" are written in a wonderfully laid back and entertaining style. If you're looking for a job... it's a must read. *The Underground Guide To Job Interviewing: A Quick and Irreverent Primer for the Working Professional* that really do give relevant advice in this crummy economy. 0 of 0 people found the following review helpful. Interview Tips Galore! By MadMax I've got some friends who are seeking employment and this book is a quick read that's humorous and filled with good interview tips. So, I bought some to give as gifts to help support them in their new career search adventures...and I'm sure the Underground Guide will boost their interview skills! *The Underground Guide To Job Interviewing: A Quick and Irreverent Primer for the Working Professional* 0 of 0 people found the following review helpful. Worthwhile Tips for Job-Searchers Everywhere By Steven J. Harper *The Underground Guide to Job Interviewing* is an engaging, succinct, and sometimes humorous approach to one of life's most serious undertakings - getting a job. It will improve the prospects of anyone who reads and heeds its lessons.-- Steven J. Harper, author of *The Partnership - A Novel* and *Crossing Hoffa*

Chances are -- unless, perhaps, you're Paris Hilton -- you've had to interview for a job at some point in your life. Employment interviews are a fact of life, as sure as bad weather and often as welcome. That's especially the case for individuals who have pursued professional careers as lawyers, licensed brokers, accountants, nurses, writers or other roles requiring special training. For them, the job interview is an unavoidable rite of passage, as essential to survival as food and water. So when the professional goes in for a job interview, the stakes are high. And things aren't getting any easier. Professionals today are facing off against more competitors for a shrinking number of jobs. They've got to scramble in a Google-paced world where the rules can change as fast as a text message. They desperately need an edge. But they're also busy. They don't have time for a tome on the fine art of interviewing. They don't have the patience for Dr. Seuss-style books best suited to college students seeking their first job. They need a survival guide. This book is for them. *The Underground Guide to Job Interviewing for the Working Professional* talks to professionals in their own language. Structured loosely as a coaching session in which a recruiter prepares the reader for an upcoming interview, it unabashedly embraces the predicament of the job seeker. Alternately authoritative and subversive, it gives a no-holds-barred account of the hurdles a job candidate faces when he or she goes into battle against unfair, inept or clueless interviewers. At the same time, it objectively explains the job interview process, and includes numerous headings and subheadings for easy reference and comprehension.

"This timely guide... shows job seekers in every field how to turn interviewing--an often an intimidating, mysterious process--into a golden opportunity to shine." --Doug Levinson, Business Consultant; Adjunct Professor, University of Southern California; Principal, Strategy that Rocks; Author, *75/25*, 3/4 of an MBA, 1/4 of the Grief" Todd Moster's book on interviewing is a must-read for anyone who anticipates a job interview with any degree of trepidation... If you are going to be going through job interviews, especially for a professional position, read this book. Then read it again." --Bill Saleebey, Ph.D., Author, *Connecting: Beyond the Name Tag*" *The Underground Guide to Job Interviewing* is a comprehensive, well written, funny book that is a quick read, and will reinforce what you already know and provide you with some new tips on successful interviewing." --Susan Wise Miller, M.A., Founder of California Career Services and award-winning National Certified Career Counselor"...an irreverent yet essential guide for the professional looking to leapfrog the job-hunting competition...It's easier to find a job when you have a job, but it's easier still when you follow Todd's unique advice." --Marty Rudoy, Attorney and Partner at Rudoy Fleck, Los Angeles, California" Love it! Todd Moster has created an easy, fun, slightly snarky read on a critical topic: Job Interviewing...It is packed with helpful information..." --Faith Pincus, CEO, Pincus Professional Education CLE Seminars; CEO, Finz Advance Tapes case summaries; Author, upcoming ABA book, *Be Heard: Public Speaking for Attorneys* About the Author An accomplished attorney, former writer for documentary television, and longtime executive recruiter, Todd Moster has been involved in more job interview scenarios than any decent human being should be expected to endure. A 1982 graduate of UCLA School of Law, Todd held several jobs in the legal profession, from attorney for the Federal Aviation Administration to deputy district attorney, associate attorney for three different law firms, and finally, as a business and real estate partner for a well-regarded Los Angeles law firm. He has taken more than fifty jury trials to verdict and presided over small claims and traffic cases as a judge pro tem. Todd left the practice of law fourteen years ago to become an executive recruiter in the legal industry. He worked for two of the largest recruiting companies in the world before founding his own legal search firm, Moster Legal Placement, Inc. (mosterlegal.com), in 2008. Over the course of his career as a recruiter, Todd has prepared thousands of people for job interviews. He's recruited and placed a variety of legal professionals into jobs with law firms and corporations, including law firm partners and associates, in-house corporate attorneys, paralegals, and legal marketing directors. His company offers a specialized coaching service, Interview BootCamp (mosterlegal.com/Bootcamp.html), which trains professionals in effective job interview techniques. Todd has also worked in documentary television,

including as a writer for the popular History Channel show "The Great Ships."
