Bonnie Kerrigan Snyder : The Unemployed College Graduate's Survival Guide: How to Get Your Life Together, Deal with Debt, and Find a Job After College before purchasing it in order to gage whether or not it would be worth my time, and all praised The Unemployed College Graduate's Survival Guide: How to Get Your Life

Together, Deal with Debt, and Find a Job After College:

Real-life advice for getting through the economic downturn. You've spent hundreds of hours searching and applying for jobs in your field, but you still haven't landed anything. What gives? Unfortunately, in today's market, it doesn't really matter how impressive your resume is or how well you interview--there simply aren't enough jobs for everyone. The Not-Yet-Employed College Graduate Survival Guide isn't just another career handbook. Inside, you'll find honest, real-life advice and strategies for dealing with the downturn in the job market. Since it'll be some time before the current economic climate changes, this book shows you how to switch your focus toward your immediate needs--such as paying off student loans and making rent each month--in order to alleviate the debt you've accumulated while in school. You'll also learn how to position yourself as a standout candidate when jobs arise with valuable exercises that sharpen your interview skills, professional online presence, and resume. With The Not-Yet-Employed College Graduate Survival Guide, you won't have to give up on your dream career to make ends meet today.
