By Questions  
Is this product overpriced or incorrectly priced? It is selling for about \$30 on vault.com. Is this a more extensive guide?

This unique Guide, now in its 8th edition, is loaded with sample questions, charts, formulas, and frameworks covering everything from accounting concepts, valuation techniques and MA basics to bond pricing, interest and exchange rates, options and derivatives, and brainteasers. Job seekers can prep for their tough finance interviews with investment banks, investment management firms, venture capital firms and more with 130 actual finance interview questions. Compared to the previous 7th edition, there are new questions on credit market, fed market and international finance, updates on commodity market and corporate bankruptcy, and new brainteasers.
