**J. Michael Farr : The Very Quick Job Search: Get a Better Job in Half the Time** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Very Quick Job Search: Get a Better Job in Half the Time:

1 of 1 people found the following review helpful. "Quick" Job Search? Really???By F. McLemoreI bought this book, and kept "sort of" using it to find work. And I finally realized why I never got very enthusiastic about using it.It says "traditional" job search methods don't work. I agree with that a little. But if they don't, why do people keep using them? They must work for somebody.But the main thing I don't like is that it tells you to basically search for jobs that don't even exist yet. It's pretty much "knock on a company's doors before they even know something will be open soon." He does explain how to do that, but those methods involve even more time than using "traditional" methods. So, how is that "quick"?It's pretty well-known that most jobs are not actually advertised. Duh. So this is not news. The author also recommends doing temp work until you find something. I've been temping for a long time, and I can tell this book is way out of date (2004). Temp jobs are becoming just as hard to get as permanent jobs, because everybody

is trying it now - and agencies are getting pickier now because of that. It's not "a quick buck" anymore. This book is just "more of the same" - it's really no different than any other book out there. I kept hoping this book would help me regroup and re-energize my efforts. I think the only thing it will "re-energize" is my trash can. 0 of 0 people found the following review helpful. One Star By becki Pretty worthless... was a real waste of time and money! 0 of 0 people found the following review helpful. Five Stars By Ivan J. Excellent! Thank you!

\* A JIST best-seller very popular with job seekers! \* More than 215,000 copies in print! \* Rated one of the top job search books ever! Millions of people have used Michael Farr's job search methods to find better jobs in shorter amounts of time.
