**John Anthony McGuckin : The Westminster Handbook to Patristic Theology** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Westminster Handbook to Patristic Theology:

0 of 0 people found the following review helpful. A welcome addition to any library. By The man in the grey rain coat and the brown scarf on platform 4 The murky world of the Cold War is encapsulated in this great book reflecting the censorship of Christian thought under Mr Putin. The author invites the reader to consider the wealth of wisdom denied to the Western Church from our Eastern Brothers and Sisters due to Russian leaders. The century of Lenin, Stalin and

Putin will not be remembered for religious freedom.4 of 6 people found the following review helpful. Good reference bookBy Rebecca S. MyersIf you are interested in the theology of the early Christian church, this is a great reference. It provides an excellent overview of many topics, including a description of the writings and of various subjects of the writings.1 of 6 people found the following review helpful. to shortBy S. SchneiderThis book was a bunch of short articles that were of little value to the research I was conducting. I would not recommend this if you was to learn and understand the subjects found in this book

This is a unique reference resource for study of the theological ideas developed in the early church period. Patristic theology is the theology of Christian writers up to the ninth century which became formative for succeeding centuries of Christianity. This handbook provides easy access to these leading theological understandings.The Westminster Handbook to Christian Theology series provides a set of resources for the study of historic and contemporary theological movements and Christian theologians. These books are intended to help students and scholars find concise and accurate treatments of important theological terms.

About the AuthorJohn Anthony McGuckin is Anne Marie and Bent Emil Nielsen Professor in Late Antique and Byzantine Christian History at Union Theological Seminary in New York City and Professor of Byzantine Christian Studies at Columbia University. A Priest of the Orthodox Church, he was formerly Reader in Patristic and Byzantine Theology at the University of Leeds, England. He is the author of numerous books of historical theology and was elected a Fellow of the Royal Historical Society of Great Britain.
