WetFeet : The WetFeet Insider Guide to Citigroup's Corporate Investment Bank before purchasing it in order to gage whether or not it would be worth my time, and all praised The WetFeet Insider Guide to Citigroup's Corporate Investment Bank:

1 of 1 people found the following review helpful. Kicking ...By A CustomerSSB is kicking ... in the league tables. I know that now that I've read this Insider Guide, which goes on to explain why SSB is doing so well. I'd really like to work for this company, so I'm doing what it takes to get a leg up on the competition. Like reading this guide and taking what I need out of it to create dialog with my contacts at SSB.0 of 0 people found the following review helpful. Objective and thoroughBy A CustomerThis is a good source for interview preparation and for evaluating the company. It provided a range of information to explain the company through and through. Worth its weight in gold if you're going into Salomon for an interview.

One thing hasn't changed since the John Houseman TV spots of years past ("Smith Bahney. They make money the old-

fashioned way. They earn it."): Smith Barney, now Salomon Smith Barney, is still making moneyoodles of it. Salomon Smith Barney, which is part of Citigroup's global and corporate investment bank, ranks number one in almost every major category in the league tables. Want to get in on the action? WetFeet brings you this Insider Guide to help you get your foot in the door at this giant among giants by answering questions such as: What areas, other than MA, has SSB picked up market share? What is SSB doing in terms of damage control in regard to its involvement in the Enron and WorldCom scandals? How does SSB operate within Citigroup's global and corporate investment bank? What's the culture like at SSB? What are some typical projects in I-banking, capital markets, and public finance? What's involved in SSB's extensive training programs? What can you expect from the recruiting process? More!
