**Christopher Trotter, Carol Wilson : The Whole Hog: Recipes Lore for Everything but the Oink** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Whole Hog: Recipes Lore for Everything but the Oink:

0 of 1 people found the following review helpful. The Whole Hog....By shirley J cadle This was a gift item for my mother....she loved it! She is 85 and there were tons of things that she related to as a young girl and how things have changed to her 85th year. It was a great birthday gift for her.

Filled with historical and culinary lore as well as more than 100 recipes, this gourmet celebration of the pig and all its parts is a must-have for every pork fan, bacon-sandwich supporter, and sausage addict

"Historically informative, geographically diverse, and attractively designed...recommended for carnivores in search of inspiration and dilettantes who want to know more about pig lore and butchery."Library Journal
