**Josefa Heifetz : The Word Lover's Dictionary: Unusual, Obscure, and Preposterous Words** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Word Lover's Dictionary: Unusual, Obscure, and Preposterous Words:

1 of 1 people found the following review helpful. As one who appreciates using words that are not the ...By Gloria C CockerellAs one who appreciates using words that are not the "same ol' thing" and learning new ones whenever I can,

I am enjoying greatly just reading through this book and checking out various words. In fact, I often spend time reading about words other than the ones I was originally researching. 1 of 1 people found the following review helpful. The report of my death is premature. By Steve Delaying the death of American English. 0 of 0 people found the following review helpful. Absolutely fun dictionary to have on your coffee table for friends ... By Callie R. Moore Absolutely fun dictionary to have on your coffee table for friends and family to go through! I love discovering new words.

The Word Lover's Dictionary contains thousands of the weirdest words in the English language, with the definition of each one written clearly and directly. And, incredible as it may seem, every entry in this book has been accepted as a formal or legitimate English word. achluophobia (n.) - fear of darkness cockaballoo (n.) - a bullying boss propale (v.t.) - to disclose The Word Lover's Dictionary is a most helpful reference for students, writers, or anyone unable to locate just the right expressive word in a standard dictionary.
