Willard R. Espy : The Wordsworth Rhyming Dictionary (Wordsworth Reference) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wordsworth Rhyming Dictionary (Wordsworth Reference):

1 of 1 people found the following review helpful. If my house was on fire, this would be ...By Ashleen O'GaeIf my

house was on fire, this would be one of the books I'd try to save. I actually own two copies, and the spare is for when ~all~ the pages of the first one come loose. I use it several times a month. I have had other rhyming dictionaries that I found incomplete, and jotted notes in the margins of, but I haven't had to add any words to this one. It's got single rhymes, double rhymes, and triple rhymes. ~Very~ helpful.

This dictionary contains over 80,000 rhyming words divided into single, double and triple rhymes to form a poets', speechmakers' and writers' reference. It includes a major section on prosody which illuminates essential tools of poetic technique such as rhyme scheme, meter and other forms. A glossary of approximately 9000 words is included of the more abstruse words listed.
