**Tom Jackson, Michael Chinery : The World Encyclopedia of Animals** before purchasing it in order to gage whether or not it would be worth my time, and all praised The World Encyclopedia of Animals:

0 of 0 people found the following review helpful. Wonderful, helpful bookBy TripletmummThis was a gift to a 10 year old girl who loves animals and wants to be a vet when she grows up. She says that it helps her learn about lots of different animals. It teches about the animals habitats and the food they eat, and teaches her about specific things abojt each animal.

A fully illustrated encyclopedia of amphibians, reptiles and mammals from around the world.
