**Juliet Harbutt : The World Encyclopedia of Cheese** before purchasing it in order to gage whether or not it would be worth my time, and all praised The World Encyclopedia of Cheese:

0 of 0 people found the following review helpful. The biggest little book on worldwide cheeseBy Steve in TustinSurprisingly all-inclusive and thorough for its compact size. This book covers all the major world cheeses, country by country, with loads of high quality color photos and tips for cooking and wine pairing. It covers a number of local and regional varieties as well, including local names for the different sizes, shapes and ages of the various cheese varieties. A lot of content for the price. Enjoy!0 of 0 people found the following review helpful. Great bookBy SolomonGIf you love cheese then you need to get this book. It has great descriptions of many different types of cheeses. In addition, it contains some great recipes.0 of 1 people found the following review helpful. Four StarsBy

SugeKnight504Smells cheesy

This is an authoritative fact-packed guide to the cheeses of the world, combined with a fabulous collection of over 100 recipes.

About the Author Juliet Harbutt founded Jeroboams, the prestigious cheese shop. She is a Chevalier de Taste Fromage and a member of the Guild de Fromagers, as well as being the chairman of the British Cheese Awards and the New Zealand Cheese Awards. Known affectionately as the cheese lady, she holds masterclasses and cheese events around the world. Roz Denny is a food writer and home economist with over 20 cookbooks to her name.
