**Dave Dowling : The Wrong Word Dictionary: 2,000 Most Commonly Confused Words** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wrong Word Dictionary: 2,000 Most Commonly Confused Words:

0 of 0 people found the following review helpful. HelpfulBy A CustomerVery helpful in finding the correct use and spelling of words needed for writing letters and other written information. I refer to it often.0 of 0 people found the

following review helpful. The Wrong Word DictionaryBy Altair93This is such a nifty little volume - enlightening and fun to read. I consider myself being quite good with words but this book shows that there is room for improvement. With this book there is no excuse for sloppy writing. And when I edit whatever my husband writes and he argues with me about a word, I now have written proof when I know I'm right. :-))2 of 2 people found the following review helpful. Get this book!By Bear OneThis is a book we all need. Anyone who writes, speaks or listens can use some help. It is amazing to me how often I hear the wrong word used on the big news channels by their newsmen. I find myself looking up words as sometimes I have found that by hearing the wrong word used over time we come to think it is the right word!

Even good writers sometimes find the right word elusive. Or is it illusive? The correct usage for more than 2,000 words that people commonly misuse is provided in this concise and accessible handbook that assures, insures, and ensures that anyone who wants to communicate accurately and effectively chooses the right word every time. Arranged alphabetically in pairs (or threes when appropriate), entries are carefully explained with a sentence that illustrates correct usage and cross-referenced to ensure that readers find, for example, boycott, even when they look up embargo first. Two dozen cartoons by Argentinian illustrator Santiago Cornejo (Corne) humorously clarify confusing distinctions between words and make this a fun reference for all word lovers to enjoy.

"A lively new reference." Off the Page on WSKG Radio
