Chris Ying, the editors of Lucky Peach : The Wurst of Lucky Peach: A Treasury of Encased Meat before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wurst of Lucky Peach: A Treasury of Encased Meat:

The best in wurst from around the world, with enough sausage-themed stories and pictures stuffed between these two covers to turn anyone into a forcemeat aficionado. Lucky Peach presents a cookbook as a scrapbook, stuffed with curious local specialties, like cevapi, a caseless sausage thats traveled all the way from the Balkans to underneath the M tracks in Ridgewood, Queens; a look into the great sausage trails of the world, from Bavaria to Texas Hill Country

and beyond; and the ins and outs of making your own sausages, including fresh chorizo.
