From University of California Press : The Yellow Emperor's Classic of Internal Medicine, Chapters 1-34 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Yellow Emperor's Classic of Internal Medicine, Chapters 1-34:

0 of 0 people found the following review helpful. Five StarsBy J. BrandonExcellent product, and very fast service! Thank you:-)0 of 0 people found the following review helpful. Five StarsBy Annette M.Good clean copy. Great for the price.0 of 0 people found the following review helpful. Traditional Chinese medicine starts hereBy Larry Lee

Peterson The classic and one of the originals for studying Chinese medicine. Traditional Chinese medical students, after 2000 years still start here. In metaphorical conversations between the emperor and his physician the discussion wanders between managing the body for health and longevity and managing the kingdom for the benefit of all people.

The Yellow Emperor's Classic has become a landmark in the history of Chinese civilization. Since 1949, when this first translation of the oldest known document in Chinese medicine was published, traditional medical practice has seen a dynamic revival in China and throughout many countries in the Western world. Elements of this time-honored therapy, including acupuncture and the harmony of human spirit with the natural world, have become part of mainstream medical practice; The Yellow Emperor's Classic provides the historical and philosophical foundation of this practice. Ilza Veith provides an extensive introduction to her monumental translation of this classic work, which is written in the form of a dialogue in which the emperor seeks information from his minister Ch-I Po on all questions of health and the art of healing.

"The most important theoretical text in the huge corpus of traditional Chinese medical literature."--"Science
