World Tourism Organization (UNWTO) : Thesaurus on Tourism and Leisure Activities (English and French Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Thesaurus on Tourism and Leisure Activities (English and French Edition):

This multilingual ""Thesaurus on Tourism and Leisure Activities"" is the fruit of over 20 years work seeking to develop a specific documentation language to help search for information relating to tourism activities. It can be used

as a guide to tourism terminology, as well as for the standardization and normalization of a common indexation and research language, at an international level. Terms very specific to tourism have been extensively defined so that individuals unfamiliar with this vocabulary can also use the Thesaurus.
