Blair Phoenix : What Are You?: A Guide to the Races of the LARP World before purchasing it in order to gage whether or not it would be worth my time, and all praised What Are You?: A Guide to the Races of the LARP World:

This tome details every race which has been known to reside in the world of Fantasy LARP Oxfordshire and other

known realms. The knowledge here is based on what has been seen, and may not be correct for every individual. This tome also contains the abilities and traits of each race known to us. This may be helpful in combat, for detecting your enemies weakness.
