In addition to the inspiring profiles, readers who are indeed thinking of building a new career will find a wealth of practical information in the tips and resources that the author includes throughout the book.I thoroughly enjoyed reading What's Next?, and I suspect that just about anyone would as well.0 of 0 people found the following review helpful. This book give a lot of insight and options to ...By SamThis book give a lot of insight and

options to folks who want to consider other things after their "primary career". Many of us want to stay engaged and have much to offer. It is written in such a way as to guide you with insightful questions and accounts of some folks who have made huge impacts in the world. 0 of 0 people found the following review helpful. Just what I neededBy SusieI read the reviews before I bought the book so my expectations were in line. This book shares various stories of people who have spent several years in one career and spent the time researching the next chapter. Most had money to live on or a spouse to support them when they changed careers. I found the tips and resources very helpful.

Filled with inspiring stories from real people who have changed careers mid-life, *What's Next?* is an exciting roadmap for anyone looking to make their next job their dream job. From a former mortgage banker who's back in the classroom to a tough cop turned Nashville music agent, these in-depth testimonials offer encouragement and advice and prove that it's possible to pursue your passion. Authored by Kerry Hannon, a celebrated journalist and leading authority on careers and personal finance, *What's Next?* offers those seeking a more fulfilling path the tools to get started and the inspiration to do it now.
