How to frame your answers. I would recommend this book to anyone job hunting. 4 stars because it covers "what are your weaknesses" but doesn't

specifically cover "what are your strengths". I know the rest of the book is about promoting yourself and you figure out your strengths from reading the entire book. I would have liked a chapter specifically on strengths. 1 of 1 people found the following review helpful. Excellent Book! By Customer Paul is a wonderful writer. He has a keen ability to work magic with resumes as well. This book will prepare you for interviews, however for a reasonable price, Paul transforms resumes, LinkedIn profiles, cover letters and thank you letters. He does it within days. Paul's company is called Shimmering Resumes. Together, they are the perfect match to help you with your job search. 1 of 1 people found the following review helpful. great book By Customer This book provides a step by step approach to the interview process and has a lot of great pointers.
