George Bickerstaffe : WHICH MBA?: A critical guide to the world's best MBAs (16th Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised WHICH MBA?: A critical guide to the world's best MBAs (16th Edition):

1 of 1 people found the following review helpful. Don't waste the moneyBy M. B. CliffordThis book is out of date and a mere compilation of information you can get free from school's websites and from on-line business journals (US News, Business Week, etc.) I bought this after reading a much older version, which offered in-depth reviews of leading programs. I was disappointed to discover that the book had devolved to nothing more than an index of

numbers. Definitely save your money!

"Which MBA?" is the most authoritative and prestigious guide to MBAs and other executive education programs on the market. New to this edition is a focus on the skills that every executive of the future will need, as well as a new orientation that highlights the growing sectors of executive programmes and part-time and distance MBAs.

From the Back Cover Which MBA? answers the questions that help you to make the right choice of executive education: Which skills will tomorrow's business leaders need? Our survey of senior executives tells you what the high-flying manager of five years time will look like How should I acquire those skills? We look at the pros and cons of full-time, part-time, distance learning and executive MBAs, as well as short executive education courses Which business school should I apply to? We rank the top 100 full-time MBA programmes around the world and provide in-depth profiles of 124 major providers. Now in its 16th year, Which MBA? is the authoritative guide to executive education around the world. As well as senior business executives, we have surveyed more than 20,000 students and alumni. Benefit from their collective experience and discover how and where to develop and refine the management skills you need to succeed.
